Cruise Extensions

Whether your clients are on a ocean or river cruise, Europe Made Easy offers pre and post cruise extensions in most major European ports. We can provide hotels and ground services: including private guides, drivers, tours and more.

Unlike the extensions offered by the cruise lines, our extensions will be personalized to your clients personal interests, tastes, time frame and budget.

By personally inspecting the properties and suppliers we utilize we ensure our clients are receiving the best Europe has to offer. With our network of service providers and contracts with hotels in Europe, we are able to provide quality and cost effective travel packages.

For more information or to book your clients cruise extension call Europe Made Easy at 877-758-9131.
